Rely on us.

TO: Commissioners Simpson, Brown, Helgeson, Manning and Mital
FROM: Cathy Bloom, Finance Manager
Susan Eicher, General Accounting and Treasury Supervisor
DATE: July 26, 2013
SUBJECT: Banking Resolutions
OBJECTIVE: Board Action – Approval of Resolutions

Issue

This memo is requesting the approval of banking resolutions which update the authority to perform the Cash Management Treasury functions.

Background

Enclosed are five resolutions setting forth signatory and transfer authorizations relating to our banking activities. The Wire Transfer resolution permits creation of agreements allowing electronic transfer of funds for either payment or obligations for investment of funds. Resolution 1310 identifies the authorized signatories for transactions with the Local Government Investment Pool. These resolutions are necessary each time the officers of the Board change. The change this time is due to the change in Assistant Secretary.

Recommendation & Requested Board Action

Management recommends approval of the banking resolutions to comply with our policies in regard to our Treasury functions.
